Why a Real Estate Think Tank?

Mission Statement:

“To promote best practices as they pertain to our industry on a global scale. This is not the creation of a new organization, but rather bringing together the best minds from existing organizations to discuss timely strategic issues that affect the future of the global organized real estate profession and to bring new ideas to the table, providing organizations an opportunity to be engaged in a dialog regarding these issues. The stated purpose of this new platform is for an exchange of industry knowledge and experience from which all can benefit.”
