## Masterclass – Co-living in NYC

09.45-11.00 Metropolitan Room

Co-liv is a non-profit organization, ecosystem and 'do tank' whose mission is to empower the co-living phenomenon worldwide. In this session, they look at state-of-the-art co-living in New York City, with the support of the major players of the ecosystem. They explain what the challenge and opportunities are with co-living, what are the successful business models and what is the sustainable human value provided by this new lifestyle experience.
